

Hiroshi Hayase

Title: Vice President, Small/Medium Displays

Location: Japan

Hiroshi Hayase is Vice President of Small/Medium Displays for DisplaySearch. With nearly 30 years of experience in the LCD industry, Hiroshi brings an unparalleled focus to sales, marketing management, production, product engineering and market research and analysis. Prior to joining DisplaySearch, he was responsible for sales and market research at Taiwanese LCD panel/module manufacturer Wintek Japan Corporation. He has served as sales manager with Applied Komatsu Technology (AKT), where he was responsible for sales of CVD systems to major Japanese panel producers. He also has 13 years in sales management and production engineering the full range of LCD production processes with Seiko Epson.

Education: Hiroshi has a bachelor's degree in mechanical engineering from Shizuoka University.
